DURA-COLOR CHART
EZ-Accent Water-Based Acrylic Stain

Also available in AC-700 Black and AC-800 White

Proline Duracolor EZ-Accent is a water-based acrylic stain that is specially formulated to accent any decorative concrete surface. EZ-Accent is quickly and easily applied to decorative concrete flatwork, vertical surfaces and rockscapes for accent colors and natural-looking variations. There are 18 standard EZ-Accent colors, but any of the 18 colors can be mixed together for customized results.

The colors shown are approximate, and as close as possible, to represent concrete with flat trowel finish and sealed with Dura Seal HG Sealer, Proline Dura Products is not responsible for application methods, finishing techniques, job site conditions, curing methods, and other conditions and therefore cannot guarantee an exact match. Various texturing and finishing techniques such as troweling or brooming, the use of sealers, and color variations in raw materials can produce variations in colors. Proline Dura Products highly recommends a representative job sample be done for each product.
