The colors shown are approximate, and as close as possible, to represent concrete with flat trowel finish and Dura Reveal #03. Proline Dura Products is not responsible for application methods, finishing techniques, job site conditions, curing methods and conditions and therefore cannot guarantee an exact match. Various texturing and finishing techniques such as troweling or brooming, use of sealers, and color variations in raw materials can produce variations in color. Proline Dura Products highly recommends a job sample be done for each product.
