

CAPRIANA COMBO 50MM

PRODUCT NUMBER # 670

- Lightly crinkled surfaces and notchy edges create an understated yet natural look
- Designed to be installed in an efficient repeating runner or ashlar pattern, with equal numbers of 1/2, square, and 3/2 stones
- Vehicular and pedestrian applications
- Made of durable concrete with iron oxide pigments which helps prevent fading from extended UV exposure. Meets or exceeds applicable requirements of ASTM C936 and C1782.

The Capriana series adds grand scale and elegance to hardscape designs from intimate patios to expansive courtyards. A trio of large-format paving slabs with natural yet understated surface and edge profiles combine for a modern interpretation of an ancient classic. Designed for repeating random runner and ashlar patterns, Capriana pavers install quickly and creates the aesthetic of historical Old World pavements.
