

## HARINGTON® FREESTANDING 3-PC

PRODUCT NUMBER # 889

- Rugged exterior evokes the look and feel of naturally weathered stone
- Install with polyurethane construction adhesive
- Split on opposite faces for maximum flexibility
- Versatile uncured block makes jobsite sawing and splitting easy
- Made of durable concrete with iron oxide pigments that resist fading in extended UV exposure. Meets or exceeds applicable requirements of ASTM C1372

The Harington Freestanding series includes three sizes of solid trapezoidal wall blocks, a modulating corner / column block, and two double-split cap options to satisfy the most demanding aesthetic requirements while remaining simple to construct. Blending seamlessly with Harington retaining walls, Harington Freestanding blocks are a trusted favorite of specifiers, installers, and owners alike.
