

CITYSCAPE TEXASSTONE 60MM

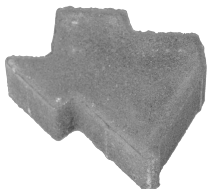

PRODUCT NUMBER # 356

- Smooth surfaces and classical chamfers define each stone to create texture and visual structure with timeless appeal
- Designed for mechanical installation, proprietary shape provides outstanding interlock to resist rotation and displacement
- Made of durable concrete with iron oxide pigments which helps prevent fading from extended UV exposure. Meets or exceeds applicable requirements of ASTM C936 and C1782.
- Light vehicular applications

The CityScape series delivers when cost-effective geometric design is specified. United by smooth surfaces, a joint which highlights shapes, and excellent interlock, CityScape pavers create interest, durability, and texture without high installation cost.
