

HARINGTON® FREESTANDING TRAP CAP

PRODUCT NUMBER # 817

- Crisp and distinctive, the straight split face effectively showcases the color within each unit
- Install with advanced polymer construction adhesive
- Designed to complement Harington Freestanding wall blocks
- Split on opposite faces for maximum flexibility
- Made of durable concrete with iron oxide pigments that resist fading in extended UV exposure.

The Harington Freestanding series includes three sizes of solid trapezoidal wall blocks, a modulating corner / column block, and two double-split cap options to satisfy the most demanding aesthetic requirements while remaining simple to construct. Blending seamlessly with Harington retaining walls, Harington Freestanding blocks are a trusted favorite of specifiers, installers, and owners alike.
