

PANORAMA™ SUPRA 60MM

PRODUCT NUMBER # 368

- Riven stone surfaces and softened edges create the natural look of weathered flagstone
- Designed to be installed in an efficient repeating runner or ashlar pattern, with equal numbers of 1/2, square, and 3/2 stones
- Pedestrian applications
- Demi and Supra can be combined to create a six-piece system with expansive, industry-leading scale
- Made of durable concrete with iron oxide pigments which helps prevent fading from extended UV exposure.

The Panorama series features rectilinear shapes, riven surfaces, and rounded edges which recall the timeless appeal of weathered cut flagstone. Designed for repeating random runner and ashlar patterns, Panorama Demi and Supra combo pavers install quickly - they can even be combined to make a 6-piece pavement - and creates the aesthetic of historical Old World pavements. Panorama paver are available in a range of sizes and heights to suit overlay, vehicular, and large-format applications.
