

3IN TRAP CAP

PRODUCT NUMBER # 824

- Crisp and distinctive, the straight split face effectively showcases the color within each unit
- Install with advanced polymer construction adhesive
- Designed to complement 6 inch retaining wall blocks
- Split on opposite faces for maximum flexibility
- Made of durable concrete with iron oxide pigments that resist fading in extended UV exposure.

A complete line of Cap, Corner, and Step units adds the finishing touch to any retaining or freestanding wall project. With an extensive selection of split faces, shapes, and unit dimensions to visually and structurally integrate with different wall systems, these blocks are designed to meet a wide range of applications and are manufactured to the same high standards as the corresponding wall blocks.
