ADVENTURES®**

Ready to turn your pool into the place everyone wants to be? Meet AquaClimb®, the original aquatic climbing wall that makes “just another swim” feel like an adventure. It’s not just an add-on - it’s a magnet for excitement! Safe, splashy, and packed with thrills, AquaClimb is where courage, laughter, and a big cannonball finish come together.

AQUACLIMB®

MODULAR AND CUSTOMIZABLE

AquaClimb’s height, width, and panel style can all be tailored to fit the size and design of your pool, with options for adding more panels at a later phase as your budget allows.

TOP SAFETY RECORD

With best-in-class safety features to ensure climbers fall away from the wall, AquaClimb also has a proven performance history from 1,000 installations across the globe.

EASY TO INSTALL

Because AquaClimb is pre-assembled in the factory, no specialized skills or equipment are required for onsite installation at your facility on any pool gutter configuration.

CHALLENGING, REALISTIC CLIMBING

With 3D contoured panels, AquaClimb delivers a realistic rock-climbing experience that engages adolescents through adults to conquer the climb in different ways.

ACTIVATES THE DEEP END

As a safer alternative or enhancement to diving boards, AquaClimb attracts tweens and teens to those under-utilized, deep areas of a pool.

MINIMAL FOOTPRINT

AquaClimb’s small deck-mounted system saves clearance space and doesn’t interfere with normal lap swimming. And with no water source required, it is an easy amenity to add.

AquaClimb Krystal

Clear, Clean lines, and Crazy Fun

Think of Krystal as the gateway to adventure. With transparent panels (clear or blue), this entry-level wall is an instant crowd-pleaser. Easy to size to your pool and easy on your budget, it delivers big-time thrills without the big-time price tag.

AquaClimb 3D

Contours That Call You to Climb

Our 3D panels bring real rock-climbing vibes to the pool. Choose translucent panels (Ice, Glacier, Jade) for safety-friendly visibility - or bold solid colors for serious wow factor. Tweens, teens, and adults? They'll be lining up.

AquaClimb Luxe

Your Pool. Your Statement. Your Luxe.

Want your pool to stand out? Luxe is built just for you—featuring custom colors to match your pool's aesthetics. It's bold, it's beautiful, and it's the kind of feature people remember (and talk about).
