

OXY-KLEAR

Oxygen based non-chlorine shock that effectively removes contaminants (swimmers' waste) and restores sparkle to pool water. Swim within 15 minutes after treatment. Ideal for all pool surfaces.

Features:

- Non-chlorine, non-bleaching, pH neutral
- Can swim in 15 minutes after treatment
- Returns sparkle to dull, flat water
- Helps eliminate unpleasant odors & conditions that cause eye irritation
- Should be used weekly

Sizes:

1 pound	RGL-50-1901 (BOX)
25 pound	RGL-50-1925
