White Beige Gray Taupe Black

Technical drawing of the Anchor Socket showing dimensions and components. The drawing includes the following labels and dimensions:

- 20"**: Overall width of the top flange.
- 18"**: Width of the top flange excluding the central opening.
- R4" Typ.**: Radius of the top flange.
- VARIES**: Label for the horizontal distance from the left edge to the start of the vertical section.
- 1.9" Ø**: Diameter of the central opening.
- 15"**: Height of the vertical section.
- 24"**: Total height of the assembly.
- 9"**: Height of the base section.
- 4"**: Thickness of the base section.
- IN GROUND SPA**: Label for the base section.
- Anchor Socket**: Label for the entire assembly.

BOTTOM VIEW SPA BASE

Technical drawing of the SB-F Base. The drawing shows a side view of the base with a vertical post and a horizontal arm. The dimensions are as follows:

- Horizontal arm length: 18
- Vertical post height (from base to top of arm): 48
- Vertical post height (from base to bottom of arm): 34
- Vertical post height (from base to top of post): VARIES 32" MAX
- Horizontal arm height (from top of post to top of arm): 14

Labels:

- SPA (Side Panel Assembly)
- SB-F BASE

Technical drawing of the SB-F Base. The drawing shows a side profile of the base with a curved top section. Dimensions are indicated: a width of 18, a height of 14 for the curved section, a total height of 59, and a height of 45 for the main body. The text "VARIES 41" MAX" is shown next to the 45 dimension. The label "SPA" points to the top surface, and "SB-F BASE" points to the base itself.
