

BLOWERS

Shindaiwa blowers feature incredible power and two of the largest displacement engines in the backpack market.

2 year commercial warranty
5 year consumer warranty

BLOWERS

Each backpack model features double-adjusting shoulder straps, padded backrests, and ergonomically positioned controls for all-day comfort. Handheld blowers are durable and powerful, offering excellent fuel efficiency.

EB212

Lightweight 2-stroke handheld blower for landscape clean-up jobs.

EB344

Shindaiwa's largest displacement handheld blower includes both round and flared pipes with rotational control.

EB600RT

A combination of dependability and comfort with economical performance.

EB633RT

Mid-level commercial backpack blower offers exceptional durability and performance.

EB802 shown

EB802 & EB802RT

Equipped with both round and turbo pipes and either hip-mounted (EB802) or tube-mounted (EB802RT) throttle control.

EB854RT shown

EB854 & EB854RT

A unique heat sensor keeps the blower from overheating due to leaf clogging and are available in either hip-mounted (EB854) or tube-mounted (EB854RT) throttle control.

BLOWER SPECIFICATIONS

Model	Displacement (cc)	Dry Weight (lb.)	Fuel Capacity (fl. oz.)	dB(A)	FLARED PIPE		ROUND PIPE		TURBO PIPE	
					Air Volume (CFM)	Max Air Speed (MPH)	Air Volume (CFM)	Max Air Speed (MPH)	Air Volume (CFM)	Max Air Speed (MPH)
