

SHARP-X
Grinding Stones and Carbide
Sharpener with Dual-Component
Handle

PRODUCT DETAILS

- To re-sharpen all kinds of blades
- Two-component handle for comfortable use
- Very safe with 2 side projections to avoid fingers slipping down to the cutting edge of the blade
- 2 carbide edges for easy and long-lasting use
- Quick, professional finish on all types of blade
- Additional safety from the side lugs which help to prevent finger slip on to the blade
- Long-lasting use with the 2 carbide edges
