#### 9V Controller with Screen

#### Easy to use

WooBee can be programed with a dual mode screen and button and Bluetooth<sup>®</sup> with MySOLEM App.

### Leak detection

By connecting on the sensor input, a water meter with a pulse contactor (dry contact) and by using high and low tresholds, you can close the irrigation during an over or low consumption or a leakage.

### 100% waterproof IP68

IP68 rated (water and dust resistant).

## Long battery life

Battery powered controller works with 9V battery or 4 x AAA 1.5V batteries, just need to select the type on the MySOLEM app.

#### **Easy maintenance**

Low battery alert, permanent backup of programming, etc.

### **Monthly Water Budget**

Set your water budget (0 to 200%) per month and the system will apply your settings automatically each month.
