# BL-NR NEW

9V Bluetooth® Tap Timer, Watering & Misting

## Quick & Easy Install

Screw the BL-NR onto your garden tap, connect it via Bluetooth® using the MySOLEM app, and your product is ready to use.

## Ideal for gardens or vegetable gardens

Enjoy a variety of programming options: duration, start times, watering cycles... while remaining flexible with manual control.

## Up to a 5-Year Battery Life

Enable Eco Mode during winter and throughout the watering season to maximize 9V battery life. Receive alerts when the battery is low for simplified maintenance.

## Watering / Misting Mode

Using the MySOLEM app, instantly switch from watering mode to misting mode.

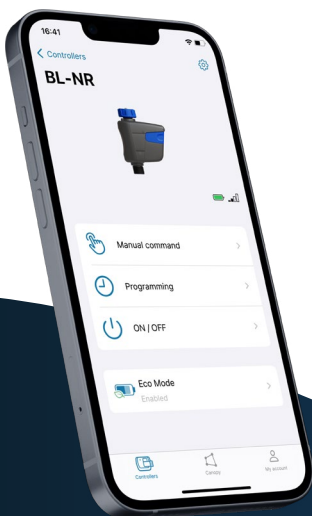

## Robust & Weatherproof

The BL-NR is reinforced with a new brass ring, screwed directly onto the tap nose for a sturdy and lasting fit.

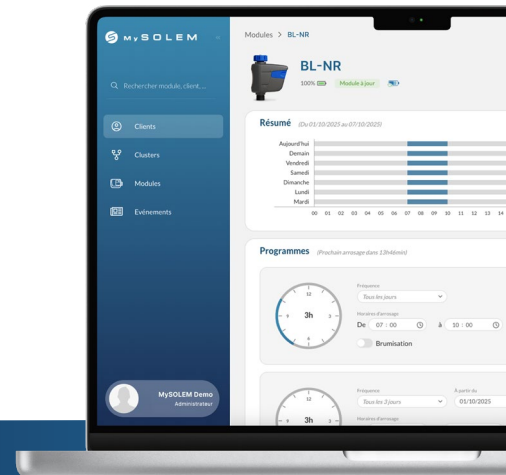

## MySOLEM Asynchronous Mode

With Asynchronous Mode, create your program on MySOLEM.com or on your smartphone, then transfer it to your controller at close range via Bluetooth® using the MySOLEM app.

Install. Program. It's ready.
