

8-INCH & 10-INCH PEBBLE TOP DRAIN COVERS

The original disappearing drain cover

Patent Nos. 6,209,586 / 6,340,035 / 6,557,588

FEATURES

Make ugly drains disappear by applying the same plaster, aggregate, or tile being used in the pool or spa, directly to the top of the drain cover for a perfect match.

- For single or multiple drains. Can be used as a sumplex drain. 10-inch cover has extra wide base ring to fit over major brand sumps.
- 8-inch Flow Rates
2" Pipe: 112 gpm floor; 76 gpm wall
3" Pipe: 144 gpm floor; 100 gpm wall
- 10-inch Flow Rates
2" Pipe: 156 gpm floor; 148 gpm wall
3" Pipe: 180 gpm floor; 144 gpm wall
- Gradual slope for comfort and to reduce pool cleaner hang ups
- Anti-Entrapment for safety: VGB, ANSI/APSP-16-2011 and NSF/ANSI 50-2015 Compliant
- Made from superior UV-Resistant ABS
- Proudly made in the USA
- Includes fillable drain cover, riser ring, mud ring, and four flatehead stainless steel Philips screws.
