SQUARE FLUSH MOUNT RETURN FITTING

*Perfect for use with tile
or any pool finish*

FEATURES

- Our patent-pending Square Flush Mount Return Fitting works perfectly with square tile
- Easy installation, no more cutting tile to fit
- Finishes flush with pool wall for a clean and seamless look
- Fits inside 1 1/2" pipe or outside 1" pipe
- Built-in water stop to help eliminate leaks
- Manufactured from UV-Resistant ABS
- Available in 8 designer colors

Our **NEW Square Flush Mount Return Fitting** works perfectly with your square tile for an exact fit every time. No more trying to cut or shape tile to match a round fitting. Now your square tile has the perfect square fitting to match.

Our Square Flush Mount Return Fitting comes in eight different colors, including clear, so that you are sure to have the perfect blend with any tile finish.
