## Pebble Top™ Drain Covers

The Disappearing Drain Cover

Simply apply the same plaster, aggregate or tile being applied to the pool directly to the top of our patented 8 or 10 inch PebbleTop drain covers for a perfect blend. Both our 8 and 10 inch PebbleTop Drain Covers and Standard Anti-Vortex Drain Covers are VGB, ANSI/APSP-16 2011 and NSF/ANSI 50-2009a compliant.

Pebble Top (8-PTD-XXXXA/10PTDXXXXA) / Anti-Vortex (8-AV-XXXXA/10-AV-XXXXA)

| Model Number | 2" Pipe Flow Rate (GPM) |      | 3" Pipe Flow Rate (GPM) |      |
|--------------|-------------------------|------|-------------------------|------|
|              | Floor                   | Wall | Floor                   | Wall |
| 8-AV-XXXXA   | 112                     | 76   | 148                     | 100  |
| 8-PTD-XXXXA  | 112                     | 76   | 144                     | 100  |
| 10-AV-XXXXA  | 152                     | 152  | 184                     | 144  |
| 10-PTD-XXXXA | 156                     | 148  | 180                     | 144  |

FOR MORE SPECIFIC REQUIREMENTS PLEASE REFER TO IAPMO AND NATIONAL STANDARD PLUMBING CODE.
