

MODEL ES90

High Performance, Medium Head Swimming Pool Pump

Features

- This high performance, medium head pump comes complete with an industry standard Carbon/Ceramic 5/8" mechanical seal for convenient replacement.
- Pump parts are made of 100% recyclable plastic. Non-corrosive, chemical/UV resistant, and can withstand temperatures of up to 150° F.
- All models are equipped with quick disconnect unions for easy installation and maintenance. Comes standard with 2" suction and 1.5"/2" discharge.
- For pool users' safety, the impeller has a dielectric shaft sleeve that provides absolute separation between pool water and electric parts.
- Lock ring that incorporates handles. These handles provide the user with a convenient way to easily remove the lid.
- Pump is equipped with durable, economical 48 frame motor. Dual voltage motor has two compartments with sealed contacts, stainless steel shaft and Neptune® Advanced Switchless Technology.
- Variety of cords sets are available.
- Motor is easy to remove without disturbing the plumbing. Reusable o-rings throughout.
- The Model ES90 comes complete with a full 12 month warranty.
- Every pump is performance tested before leaving the Speck factory.

Model ES90-II

Trademarks and Certifications
