BRING YOUR VACATION HOME™

DESTINATION LOUNGER™

Introducing the Destination Lounger™ from S.R.Smith. Elegant design and sturdy construction combine to give pool owners the ability to upgrade their sun shelf space with ease. Made using an advanced Resin Transfer Molding (RTM) process, Destination Loungers are lightweight yet strong. The innovative design allows pool owners to easily fill the base section with water but, more importantly, it's easy to remove the water allowing the lounger to be moved when not in use. The Destination Lounger lets you relax and enjoy the pool without a splash.
