

Techo-Bloc

York

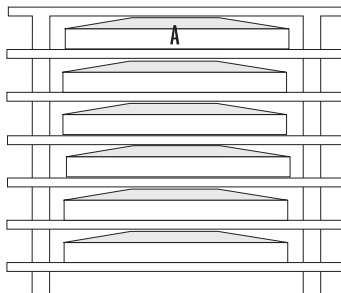

Pillar Caps

DESCRIPTION: Pillar caps

TEXTURE: Limestone surface with chiseled edges

PALLET SIDE VIEW - 28" and 32"

APPLICATIONS

York caps are also an excellent choice for seating walls, giant steps and thresholds, as counter tops, and in stepper applications, both on the ground and just above water.

COMPATIBLE PILLARS - YORK 28"

Pillar 24" (Mini-Creta 3" & 6"), Pillar 24" (Mini-Creta 6" Architectural), Manchester and Prescott 2.25" & 4.5".

COMPATIBLE PILLAR - YORK 32"

Semma split face.

NOTES

Techo-Bloc always recommends gluing the caps with concrete adhesive to ensure stability and safety.

To achieve a natural appearance, stone dimension can vary up to 1/4".

* For an authentic look, each color option is composed of a variety of darker & lighter tones. Natural ingredients such as granite are present within the recipe to allow for a range in tones, veining and textures from one stone to another.

TEXTURE: Limestone surface with chiseled edges

PALLET OVERVIEW - 14x48

Multi-purpose York caps are the right choice for more than capping seating walls. Use them to cap retaining walls and double-sided fence walls, or as pool copings. They are ideal in slab applications and pathways, and you can continue your design by installing them as steps or use them as steppers across a lawn or pool. The perfect bar top, a York cap even makes a great low coffee table.
