MAXIMUM VALUE.**

TRADE SERIES
EXCLUSIVE

VS FLOPRO™
VARIABLE-SPEED PUMP

Upgrade to the value and performance you deserve

The VS FloPro™ 1.65 HP is a full-featured variable-speed pump with the perfect balance of hydraulic performance and value. Featuring 115v/230v dual voltage compatibility and superior energy savings to replace single-speed pumps up to 1.5 HP.

• Fast, Simple, Full-Featured Control

Programming a pump has never been so fast and easy. The optional preinstalled SpeedSet™ controller with Flywheel™ Navigation makes pump setup and maintenance a breeze.

• 115v/230v Dual Voltage

Mains power rewiring is a thing of the past thanks to compatibility with both 115v and 230v power sources with equal hydraulic performance at either voltage.

• Easy to Drop In

Included adjustable base enables precise alignment with critical plumbing dimensions to easily replace popular Pentair® and Hayward® single-speed and variable-speed pumps.

• Filtration and More

Ideal for use as a filtration pump on small to medium-sized pools or water features.

• Lower Electricity Costs

Save over \$750 each year in energy costs!*

The VS FloPro™ 1.65 offers impressive energy savings.

*Based on a 22,000 gallon pool with two turnovers per day at an energy cost of \$0.185/kWh vs. comparable single speed pumps; when tested in accordance with the applicable requirements of 10 CFR 429.

• Total Programmability

Compatible with all Jandy control systems for total programmability and customization:

- › SpeedSet™ Controller (preinstalled option)
- › iQPUMP01 with iAquaLink® App Control
- › Jandy AquaLink® Automation Systems

• Additional Features

- › Small footprint with a compact-sized wet end (23.75")
- › 2" unions included or utilize 2" internal threads
- › Easy Controller Setup auto detects connection to an automation system or a traditional controller, eliminating the need to adjust settings manually
- › Tool-free lid for easy debris removal
- › Ergonomic easy-transport handle
- › Totally Enclosed Fan Cooled Motor (TEFC) extends pump life
