COMMERCIAL POLYMER PUMP

## ENGINEERED FROM THE GROUND UP FOR COMMERCIAL POOLS

With a legacy of leading the industry with innovative technology, quality products and unsurpassed service, the Jandy® lineup of JCP commercial polymer pumps is proven to perform even under the most extreme conditions.

- Works with most Variable Frequency Drives (VFD)
- Available with or without strainer
- Available in 5, 7.5, 10, and 15 Horsepower
- Available in 3-phase for all horsepower, plus single-phase for 5 and 7.5 horsepower

- Faster priming than similar pumps (Priming speed varies depending on the model)
- Replacement motors can be off-the-shelf motors, so long as they have the same electrical ratings as the original OEM motor
- Includes NEMA premium-efficiency motors
- Drop-in replacement for EQ, C, and CPS competitive pumps
- Models with strainer are self-priming
- NSF-50 listed
