# **Texrite Ac-cent Sanded Grout**

		As of date: August 7, 2015
Section 1	Product Description	
Product Name: Recommended Use: Synonyms:	Ac-cent Sanded Grout Sanded Grout Latex –Polymer Grout, Polymer modified grout, Tile joint filler mortar	
Manufacturer:	Texas Cement Products, dba Texrite 4000 Pinemont, Houston, Texas 77018, USA 713-682-8411 www.texrite.com	
General Phone Number General Fax Number:	: 713-682-8411 (8am-3pm, CST, M-F) 713-688-2488	

Section 2 Hazards Identification
----------------------------------

Classification of the chemical in accordance with paragraph (d) of 1910.1200;

Signal Word:	Danger
GHS Class:	Serious Eye Damage/Eye Irritation, Category 1, Skin Corrosion/Irritation, Category 2 Skin Sensitizer/Allergic skin reaction, Category 1 Carcinogen/May cause cancer if inhaled, Category 1A, May cause respiratory irritation, STOT SE3 Damage to organs through prolonged or repeated exposure if inhaled, STOT RE1
Hazard Statements:	H100s = General, H200s = Physical, H300s = Health, H400s = Environmental
	<ul> <li>H315 -Causes skin irritation.</li> <li>H317 -May cause an allergic skin reaction.</li> <li>H318 -Causes serious eye damage.</li> <li>H335 -May cause cancer if inhaled.</li> <li>H350A -May muse respiratory irritation.</li> <li>H372A - Causes damage to organs through prolonged or repealed exposure if inhaled.</li> </ul>
Precautionary Statements	<ul> <li>S: P201 -Obtain special instructions before use.</li> <li>P202 -Do not handle until all safety precautions have been read and understood.</li> <li>P260B -Do not breathe dust.</li> <li>P264.3 -Wash skin thoroughly after handling.</li> <li>P270 -Do not eat, drink or smoke when using this product.</li> <li>P271 -Use only outdoors or in a well-ventilated area.</li> <li>P272 -Contaminated work clothing should not be allowed out of the workplace</li> <li>P280B -Wear protective gloves and eye, face protection.</li> <li>P302+P3529, -IF ON SKIN. Wash with plenty of water</li> <li>P304+P340 -IF INHALED: Remove person to fresh air and keep comfortable for breathing.</li> <li>P305+P351+P338 -IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.</li> <li>P308+P313 -IF exposed or concerned: Gel medical advice / attention.</li> <li>P310A -Immediately call a POISON CENTER.</li> <li>P314 -Get medical advice/attention if you feel unwell.</li> </ul>

P321 .A -Specific treatment (see supplementary instructions on this label) P333+P313 -If skin irritation or rash occurs: Get medical advice/attention. P362+P364 -Take &contaminated clothing and wash it before reuse.

P403+P233 -Store in a well-ventilated place. Keep container lightly dosed.

- P405 -Store locked up.
- P501A -Dispose of contents/container in accordance with Local, State, Federal and Provincial regulations.

Ingredients(s) with unknown acute toxicity: None

Hazards not otherwise classified identified during the classification process: None

## Section 3 Composition Information and Ingredients

### Mixture:

Component Name	CAS #	WT %	<u>Classification</u>
Silica Sand	14808-60-7	50-80%,	Carc. 1A, H350A, STOT RE 1, H372A
Portland Cement	65997-15-1	20-45%	STOT SE 3, H335: Eye Dam 1,H318 Skin Sens. 1, H317; Skin Irrit. 2, H315
Titanium dioxide	13463-67-7	0.1-5%,	Carc. 2, H351
Calcium sulfate	7778-18 -9	0.1-5%	STOT SE 3, H335:

Section 4 First-Aid Measures

### **Emergency and First Aid Procedures**

Inhalation:	Remove casualty to fresh air and keep at rest. If breathing is irregular or stopped, administer artificial respiration. In case of inhalation, consult a doctor immediately and show him packing or label.			
Eyes:	IF IN EYES: Rinse cautiously with water with the eyelids open for a sufficient length of time. Remove contact lenses, if present and easy to do. Continue rinsing. If irritation continues, then get medical advice/attention immediately. Protect uninjured eye.			
Skin Contact:		IF ON SKIN: Wash with plenty of soap and water. If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash before reuse.		
Ingestion:	If swallowed, do label.	If swallowed, do not induce vomiting: seek medical advice immediately and show this container or label.		
	Most Important symptoms/effects, acute and delayed: Eye Irritation Eye damages Skin Irritation Erythema Indication of any immediate medical attention and special treatment needed: In case of accident or unwellness, seek medical advice immediately (show directions for use or safety data sheet if possible).			
Section 5	Fire Fighting M	leasures		
Extinguishing Media: Fire Fighting Methods and Protection: Fire and/or Explosion Hazards:		Use carbon dioxide, or water spray when fighting fires involving this material. Firefighters should wear full protective equipment and NIOSH approved self- contained breathing apparatus. Do not inhale explosion and combustion gases. Burning produces heavy smoke.		
Hazardous Combustion Products: Explosive properties: Oxidizing properties: Special protective equipment and precau		N.A. N.A. N.A.		

Collected contaminated fire extinguishing water separately. This must not be discharged into drains. Move undamaged containers from immediate hazard area if it can be done safely.

Section 6 Accidental	Release Measures
Steps to Take in Case Material Is	Wear personal protection equipment.Wear breathing apparatus if exposed to vapors/dusts/aerosols. Provide adequate ventilation. Use appropriate respiratory protection. See protective measures under section 7 and 8. Ventilate
Released or Spilled:	the contaminated area. Suitable material for taking up: absorbing material, organic, sand. Wash with plenty of water.
Section 7 Handling ar	nd Storage
Handling:	Avoid contact with skin and eyes, Inhalation of vapors and mists. Exercise the greatest care when handling or opening the container. Use localized ventilation system. Don't use empty container before they have been cleaned. Before making transfer operations, assure that there aren't any incompatible material residuals in the containers. Contaminated clothing should be changed before entering eating areas. Do not eat or drink while working. See also section 8 for recommended protective equipment. Wash thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection.
Storage:	Keep dry. Keep container tightly closed & upright when not in use to prevent leakage.

Storage Code:

## Section 15

### **Regulatory Information**

### **USA - Federal regulations**

TSCA • Toxic Substances Control Act TSCA Inventory:

All the components are fisted on the TSCA inventory

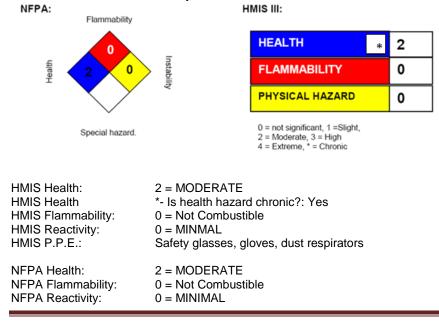

TSCA listed substances:

SARA - Superfund Amendments and Reauthorization Act Section 302 – Extremely Hazardous Substances: no substance listed

Section 304 – Hazardous substances:	no substance listed
Section 313 – Toxic chemical list:	no substance listed

CERCLA – Comprehensive Environme Substance(s) listed under CERCLA:	ntal Response, Compensations, and Liability Act no substance listed
CAA – Clean Air Act CAA Substances listed:	no substance listed
CWA – Clean Water Act CWA Substances listed:	no substance listed
USA - state specific regulations	
California Proposition 65 Substance(s) listed under California Pro Titanium Dioxide Silica Sand	oposition 65 listed as carcinogen listed as carcinogen
Massachusetts right to know Substance(s) listed under Massachuse Portland cement Titanium dioxide Calcium sulfate Silica Sand	tts Right to Know;
Pennsylvania Right to know Substance(s) listed under Pennsylvania Portland cement Titanium dioxide Calcium sulfate Silica Sand	a Right to Know;
New Jersey Right to know Substance(s) listed under New Jersey Portland cement Titanium dioxide Calcium sulfate Silica Sand	Right to Know;
Section 16 Other Info	rmation

This information is intended solely for the use of individuals trained in the NFPA & HMIS hazard rating systems.

Texrite Ac-cent Nonsanded Grout -SDS

NFPA Special Risk: NONE

Code	Description
H315	Causes skin irritation.
H317	May cause an allergic skin reaction.
H318	Cause serious eye damage.
H335	May cause respiratory irritation.
H350A	May cause cancer if inhaled
H372A	Causes damage to organs through prolonged or repeated exposure if inhaled

The information provided in this (Material) Safety Data Sheet represents a compilation of data drawn directly from various sources available to us. Texrite makes no representation or guarantee as to the suitability of this information to a particular application of the substance covered in the (Material) Safety Data Sheet.

### Glossary

0.0000	.,
ACGIH	-American Conference of Governmental
	Industrial Hygienists
CAS	-Chemical Abstract Service Number
CERCL	A -Comprehensive Environmental Response,
	Compensation, and Liability Act
DOT	-U.S. Department of Transportation
IARC	-International Agency for Research on
	Cancer

- N/A -Not Available
- NTP -National Toxicology Program

- OSHA -Occupational Safety and Health Administration
- PEL -Permissible Exposure Limit
- ppm -Parts per million
- RCRA -Resource Conservation and Recovery Act
