SVL 3HP Pump Flow Rate

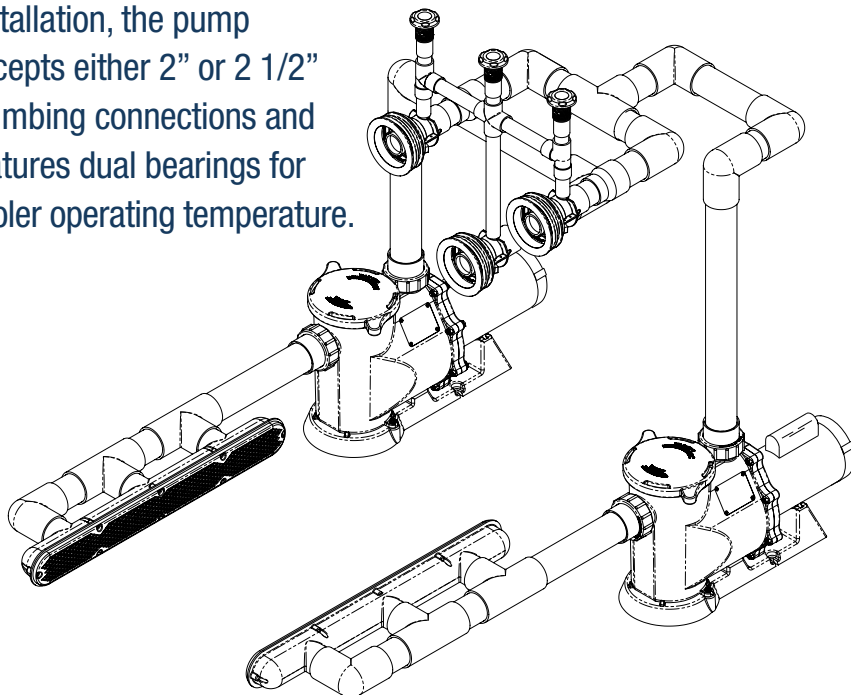

HIGH PERFORMANCE PRESSURE VERSUS FLOW RATE

AquaShapes® Swim Jet System is shipped in a single pallet, delivered to your next project with a list of products & complete instructions on plumbing and assembly.

AquaShapes® Swim Jet System utilizes our SVL In-Ground Pump allowing extremely quiet operation that is self-priming and easy to service. It provides the best vertical lift at 24 ft. and has a true 56-frame motor ensuring long life and uninterrupted power. Designed for easy serviceability & installation, the pump accepts either 2" or 2 1/2" plumbing connections and features dual bearings for cooler operating temperature.
